Troubleshooting and Tech Support

EDUCATION

- PhD **California Institute of Integral Studies**,
Transformative Studies, expected Fall 2013,
4.0 overall GPA
- MA **John F. Kennedy University**, Consciousness
Studies, 2008, Graduated with 4.0 overall GPA
- BA **The Colorado College**, Philosophy, 1998
Magna Cum Laude, 3.9 overall GPA, with Distinc-
tion in Philosophy; Phi Beta Kappa Honor Society;
Glenn J. Gray Award for Philosophical Excellence
- Rudolf Steiner College**, Consciousness Studies/
Goethean Studies, 2000-2002 (non-degree)

In addition to being a designer, I teach graduate courses in consciousness studies, and am a life-long student and published author. I've been a retail store manager, a front line tech support agent for Apple, a Waldorf high school physics teacher, and more. This unusual background gives me the ability to relate to a diverse clientele, provides skills that help me meet new challenges in creative ways, and just makes life interesting.

EXPERIENCE

Spirit Alchemy Design, 2006 - Present
7+ years of professional design experience running my own freelance web and print design company. I do it all, coordinating and realizing all stages of the design process for a variety of clients and project types.

SEE MY PORTFOLIO AT DESIGN.SPIRITALCHEMY.COM

Responsibilities:

- Implement projects from initial consultation to final product, and every stage in between
- Manage multiple time-sensitive projects
- Adapt to changing customer desires and budgetary constraints
- Interface with multiple stakeholders to achieve unified design and message
- Help clients with conceptualization, focus, and intent for their design needs
- Web → print and print → web workflows
- Design websites from scratch using HTML, CSS, and CMS systems
- Custom CMS theme design and templating
- Implement e-commerce solutions
- PDF preflight and creation, including forms
- Adapt existing resources, themes, or other assets to fit client outcomes
- Bookkeeping, customer service, scheduling, networking, outreach, and everything else needed to run a sole proprietorship!

About me:

- Exceptional writing and communication skills
- Excellent interpersonal relations and customer management skills, a team player
- Flexible, creative, adaptive, and clear
- Knows when to focus on the details and when to look for the bigger picture
- Proactive, a critical-thinker and problem solver
- Learns extremely quickly
